

Inference Organizer

Readers make inferences when they use background knowledge with evidence from the text.

What are the most important facts or details from the text?	What do these important details or facts tell you?	Why do you think that? How do you know?
<p>Jane Addams had gone to college, something few women at that time were able to do.</p> <p>Settlement houses were places where people could learn new skills.</p> <p>Hull House had a Kindergarten for children whose mothers worked.</p> <p>Workers of Hull House worked to improve living conditions in tenements.</p> <p>Workers of Hull House worked to improve working conditions in mills and factories.</p>
